

I have over 40+ years in the accounting field. One of my goals is to grow my tax preparation and bookkeeping business. I specialize in small businesses, home based businesses, and start-up businesses. Another goal is to educate my clients to save them money and improve their bottom line.

I am, a member of the Hemet/San Jacinto Chamber of Commerce, National Society of Accountants, National Association of Tax Preparers, (I have my CTEC and PTIN) National Notary Association, and American Institute of Professional Bookkeepers

I began my tax preparation business because I got bored being retired. Took the H&R Tax Course. Worked for them one season and decided to go into business for myself. Having over 40 yrs in the accounting field, adding tax prep and notary seemed like a good idea.
